

SYNTHETIC ALASKA COMMUNITY DEVELOPMENT GRANT

This is a synthetic Notice of Funding Opportunity used by the AuroraGrants parser bake-off. It exists only to exercise table and heading extraction.

Purpose

The purpose of this program is to support community development projects across Alaska that demonstrably improve local capacity and services.

Eligibility

Eligible applicants include the following entities.

- Federally recognized tribes and tribal consortia.
- Alaska 501(c)(3) nonprofit organizations in good standing.
- Local governments within the State of Alaska.
- Regional Alaska Native corporations.

Funding Range

Tier	Min	Max
Planning	25000	75000
Implementation	100000	500000

Application Instructions

Follow these steps to apply.

1. Register in the funder portal.
2. Upload a cover letter and narrative.
3. Submit the budget workbook.
4. Confirm submission by the deadline.
